Reduction in OTR External Training Costs

1. Reference is made to your memorandum to DTR, this subject, dated 10 September 1959.

2. Please see the several attached notes and memos. The consensus of these and of several subsequent telephone calls is that we (OTR) need take no action on this matter now. Unless we receive some unforeseen, very heavy new demands for external training we will probably be able to handle external training within the amount of last year's expenditures. This alone will constitute a cut in the budget for this purpose.
